INTRODUCTION

Most people can realize how boring and unappealing life would be if we were all created with the same exact tastes and personalities. Little variety of any sorts could be added to our everyday lifestyles if we were all computerized puppets.

Let's take this fictitious example and set it to the domain of our own school. Suppose we were all sports minded kids — or on the other hand — suppose we were all of the studious type. If this was the case, we would not be receiving the 'full' education that school is supposed to give us.

The staff of the 1974 Epilogue has tried to bring out and display throughout the yearbook the other side of education which we are believed to receive from our twelve years of schooling. One of the most valuable lessons we can learn from our relations at school is to accept each other as individuals.

The theme of our book is one of individualism and brotherhood. In the 1974 Epilogue, we hope to portray the element in the school that promotes these two important ideas. This yearbook should not be looked upon as an epitaph for this year's senior class, but rather as a hope. The hope that through examples that we have set, that a change will develop in the minds and in the attitudes of those people which will remain at B.H.S.

MISCELLANEOUS

Epilogue, for the first time in several years, contains no formal dedication. Instead, it is a testimony to a need which is present in every individual, whether young or old. That need is the one of Change.

What is the definite meaning of change? A word not bound to a list of specific possibilities, it varies from time to time, but more especially from person to person.

After many passing years, you will change from the person you are now — but this time the change will be due to the set conditions that surround you.

Your life situation right now is a delicate tightrope. Influence pushes you to one side, your personal likes counter-balancing that.

Temporary change is at least a necessity — but the change to the better way of life is an obligation you owe yourself.

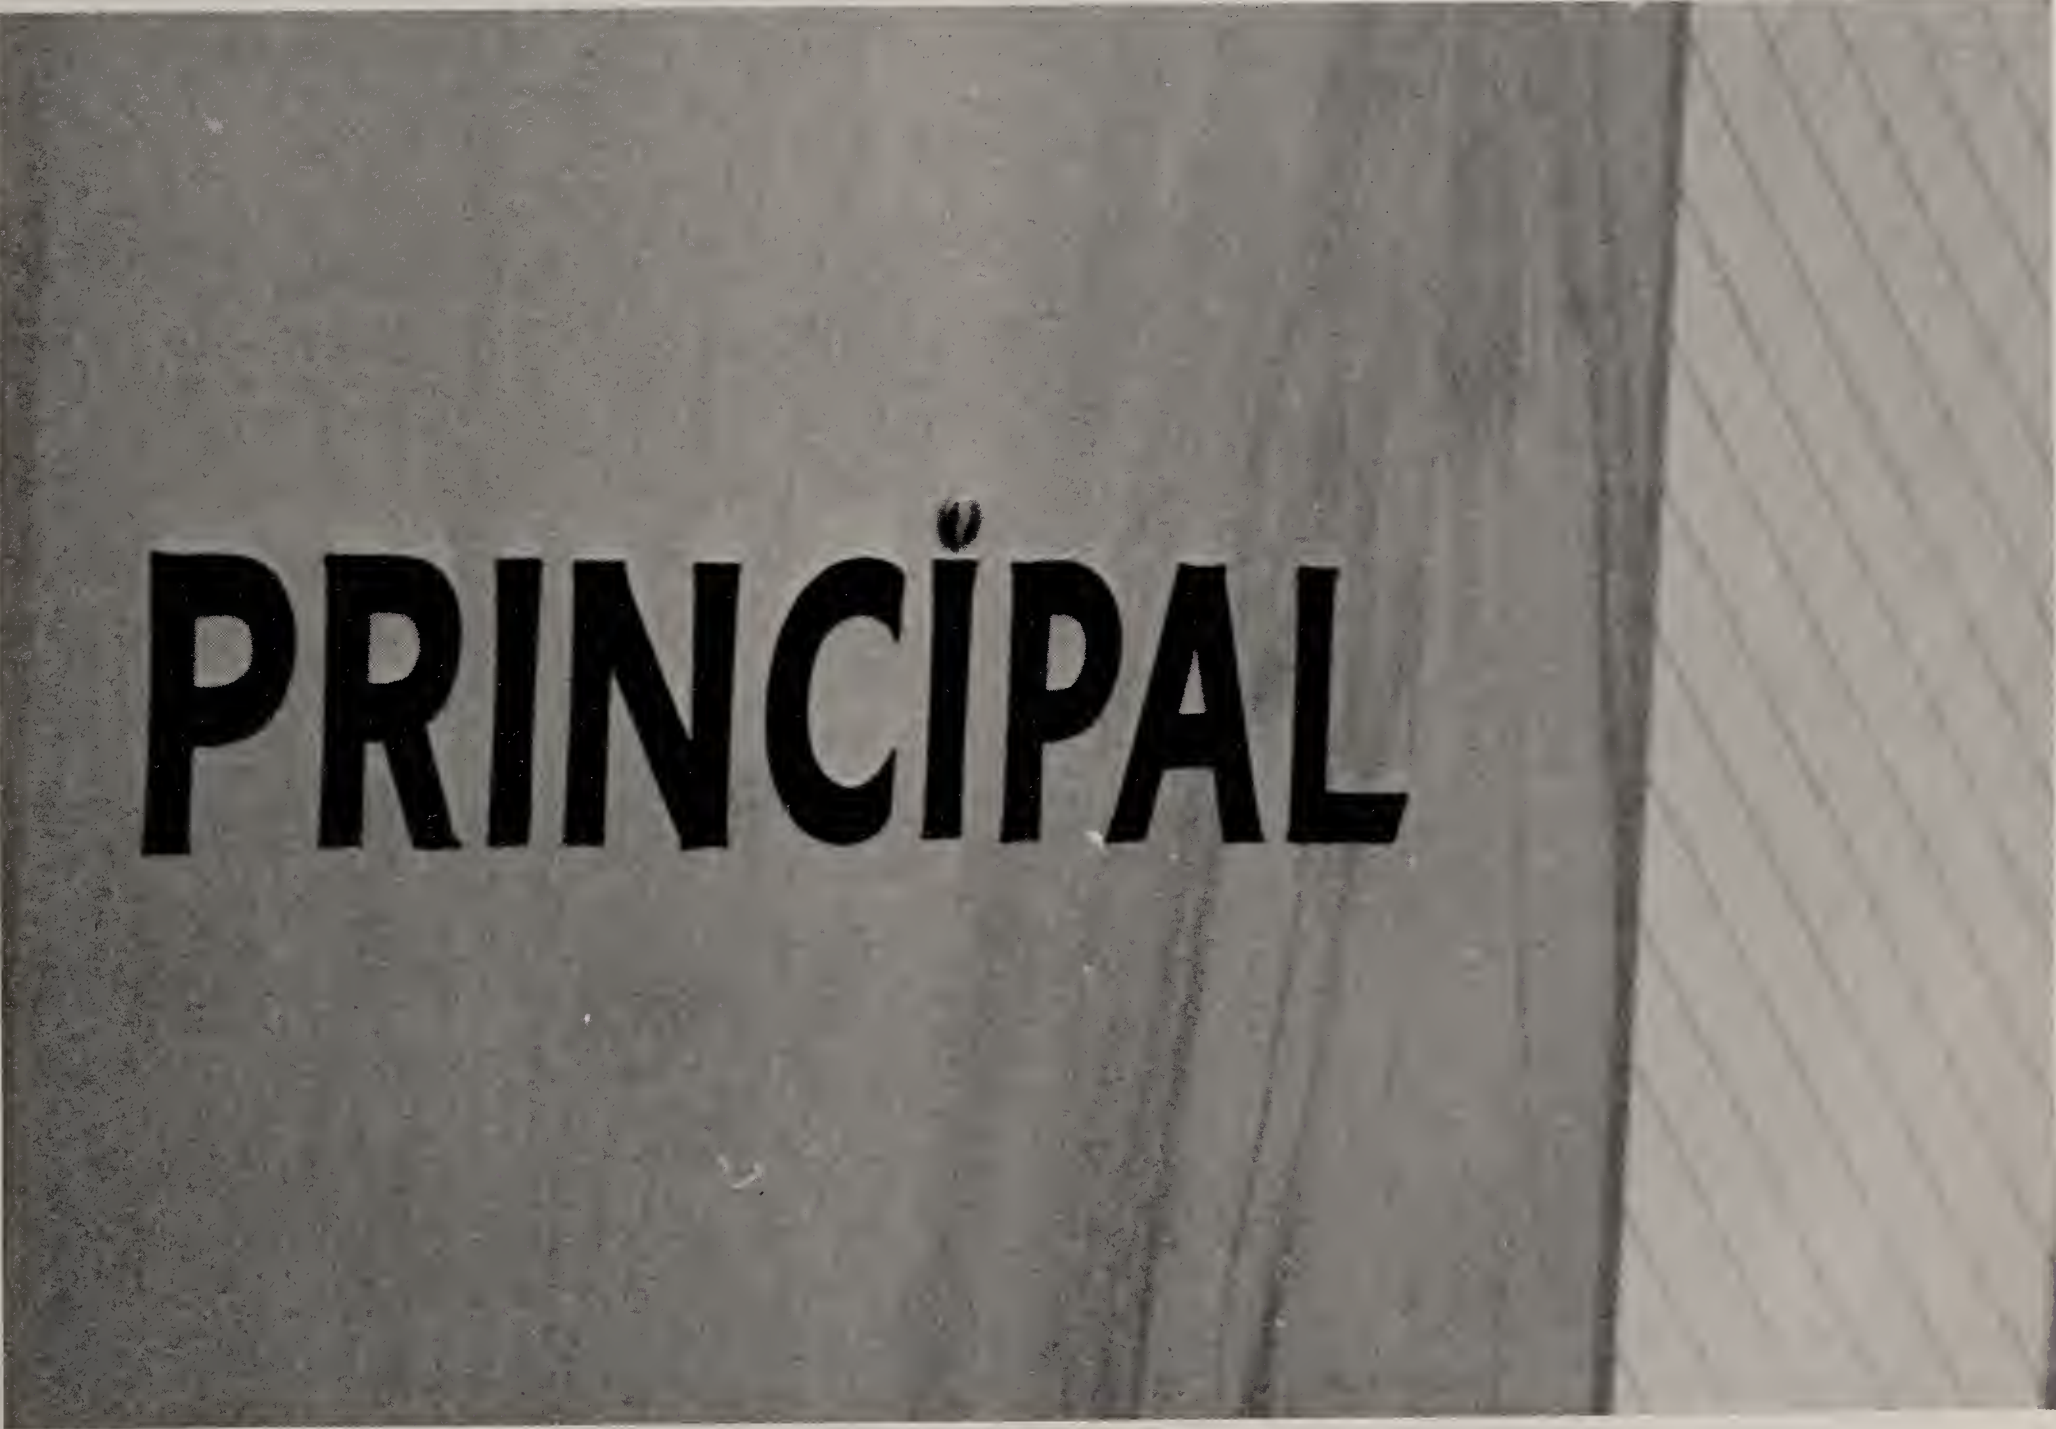

The 1974 Epilogue represents a change, a change not merely in the book's tradition, but the change that will eventually become You.

Despite our little cartoon puns, we feel that the administrative system at B.H.S. is one of the best. Handling a school with a population such as ours is indeed a demanding task, and we feel that these three men are completing the task successfully.

For the first time in many years, the N.H.S. became an active organization instead of just an honorary one.

An important N.H.S. function this year was the presentation of food baskets, which were made for needy families, during the Thanksgiving time.

The N.H.S. was also involved in several other projects which included the sale of candles and stationary, and participating in functions such as open house for B.H.S. and the dedication ceremony for the Stallbrook School. They also plan to hold their annual initiation night, and a possible N.H.S. field trip.

Astronomy Club

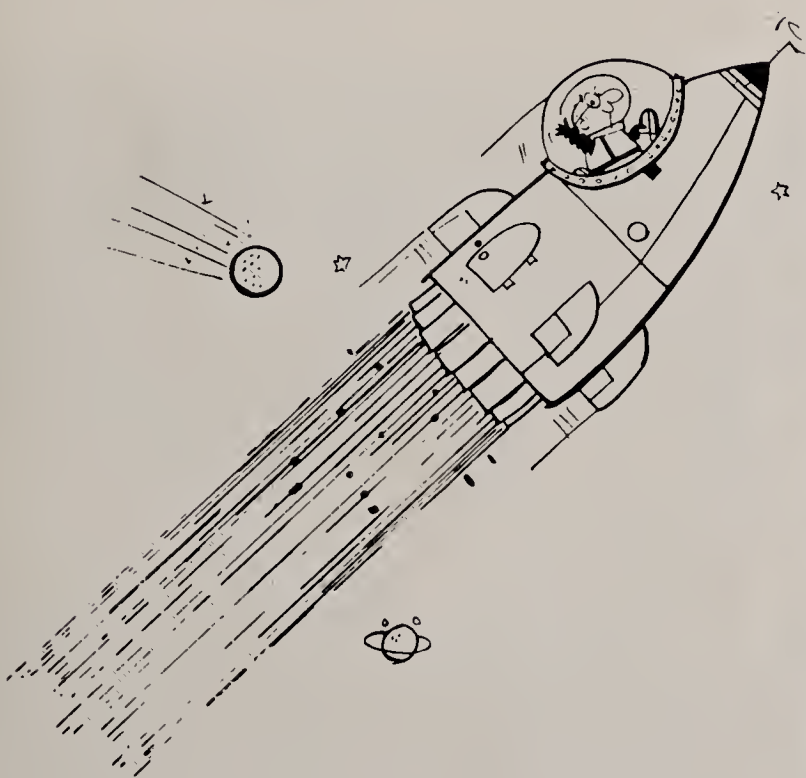

The Astronomy Club, in its first year of existence, gives the opportunity for kids to put their interest in astronomy and rocketry to good use. They examine their model rockets, and even fire them off! Also, they view filmstrips concerning some of the important and interesting aspects of our universe. Best of luck to this new club, so that it will "get off the ground and into orbit!"

The Chess Team, after a questionable 1972-1973 season, went into this year's season without loss of one of the top five boards players. Being in the Tri-Valley Conferences' Northern Division, this year's team looked promising. Under the enthusiasm of Coach Cheever, the team looked strong for a second place finish and a spot in the playoffs. With great determination and effort, Bellingham could go all the way to the top.

MEMBERS: Cheryl Parmentar; Joyce Joseph; Jeff McQuary; Stephanie Wyatt; Grace Franco; Mary Stepp; John Broderick; Phillip Joseph; Jessie Rhodes; Donald Anderson; Tim Nelson; Cheryl Turner; Bill Nelson; Albert Belanger; Larry Vivian; William Hammond

The Math Club, quite unlike any other organization in the school, centers its purpose around developing a competitive attitude towards the subject. This is obtained by participation in "Math Meets." So far, the Math Club of B.H.S. has done average during these meets, but in the future, Miss Slater sees a highly competitive Math team representing B.H.S.

French Club

Mrs. Jeanne Valorie, Advisor

The French Club is composed of a group of students from grade 8 to grade 12, all of which are presently enrolled in a French course.

The students meet once a month to plan and carry out projects pertinent to France or the French language.

About 30 students attended a French restaurant in Boston in January where they enjoyed a full-course French meal served by French waitresses. A four day trip to Quebec is planned for the April vacation.

Officers of the club are: Keith Mottola, President; Kathy McQuade, Vice-President; Donna Danko, Treasurer; and Donna Decelles, Secretary. Mrs. Valorie is the advisor.

The German Club, in hopes of holding a German Festival, held several money-raising activities. These included a yard sale, held at the 1st Baptist Church in Bellingham center, and also the sale of candles. The Club is in its 4th year of existence. Viel Glück!

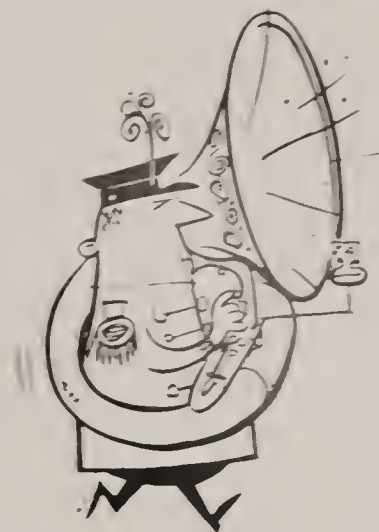

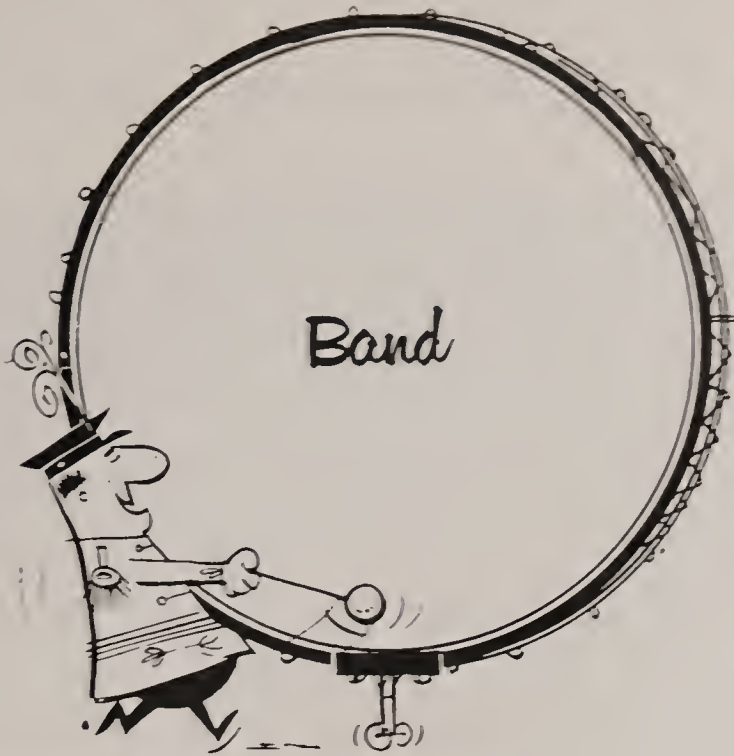

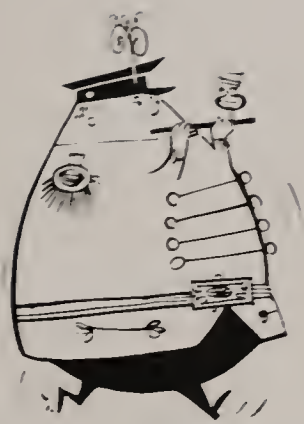

Chorus

MISS KAREN AYKANIAN, DIRECTOR

The high school Chorus, under the leadership of Miss Aykanian, has been increasing in size and talent over the past few years. The Chorus performed at the Christmas Concert and they were well applauded, for the practice and time put into it certainly paid off! They are also planning a Spring Concert — and it's certain that it will be an enjoyable and entertaining one. Keep up the good work, Chorus!

"Yoga is mental, physical, and spiritual control. It is the essence of all religions and sciences — past, present and future.

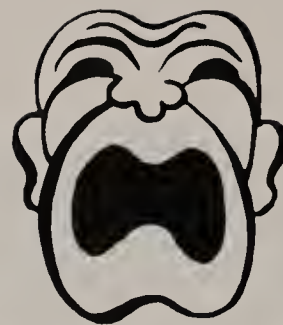

Yoga, which has its origin in Hindu philosophy, is no longer the esoteric interest of people who are of the Eastern cultures. Today in America we find people of all ages and in all walks of life studying Yoga and finding self-fulfillment and inner peace in its practice.

There is a definite bridge connecting yoga with all modern sciences and philosophies. Man's search for personal identity is as old as civilization itself; He pursues methods to uncover the nature of himself so that he may deal with his fellow men through consideration and understanding. But the student of yoga learns that he must first be aware of his own self — then there must be an awareness of awareness itself."

If the class of 75 keeps the "spirit" going throughout their senior year, then they'll be a very successful group. Best of luck to you all!!!

FRESHMAN CLASS OFFICERS

The Freshmen — the new “class” of B.H.S. Senior High saw, for the first time, the “ins and outs” of what a high school is like. They were faced with a new way of attending classes, different kids from all over Bellingham, and, of course, the ‘BIG, BAD SENIORS!’ However, we hope the class of ’77 enjoyed their Freshman year at B.H.S. — and can also look ahead to the next three years with optimism and enthusiasm. Yearbook Advisors

There are very few people who realize the time and dedication it takes to put out a yearbook. There are deadlines to meet, photograph schedules to be set up, meetings to be organized, money to be raised, etc. The two yearbook advisors carry the big responsibility of seeing to it that when the senior class leaves the school, they'll have something to look back into and remember "the good ole days." Letters of credit and acclamation can be given to them both — but the feelings of our appreciation and gratitude is shown by the words — **THANK YOU!!!**

The 1974 Epilogue Staff and the entire senior class wish to express a warm and extremely appreciative "thanks" to our two senior class advisors — Miss Karen Aykanian and Miss Jocelyn Girard. "THANKS!"

Usually, a yearbook honors only the present senior class advisors and officers. However, the 1974 Epilogue wants to show its appreciation and thanks to all the class advisors and past class officers which have helped our class since we were freshmen. To the people listed below, we say

Mass Reactions Prove That 1973 Was A Year Of Concern.

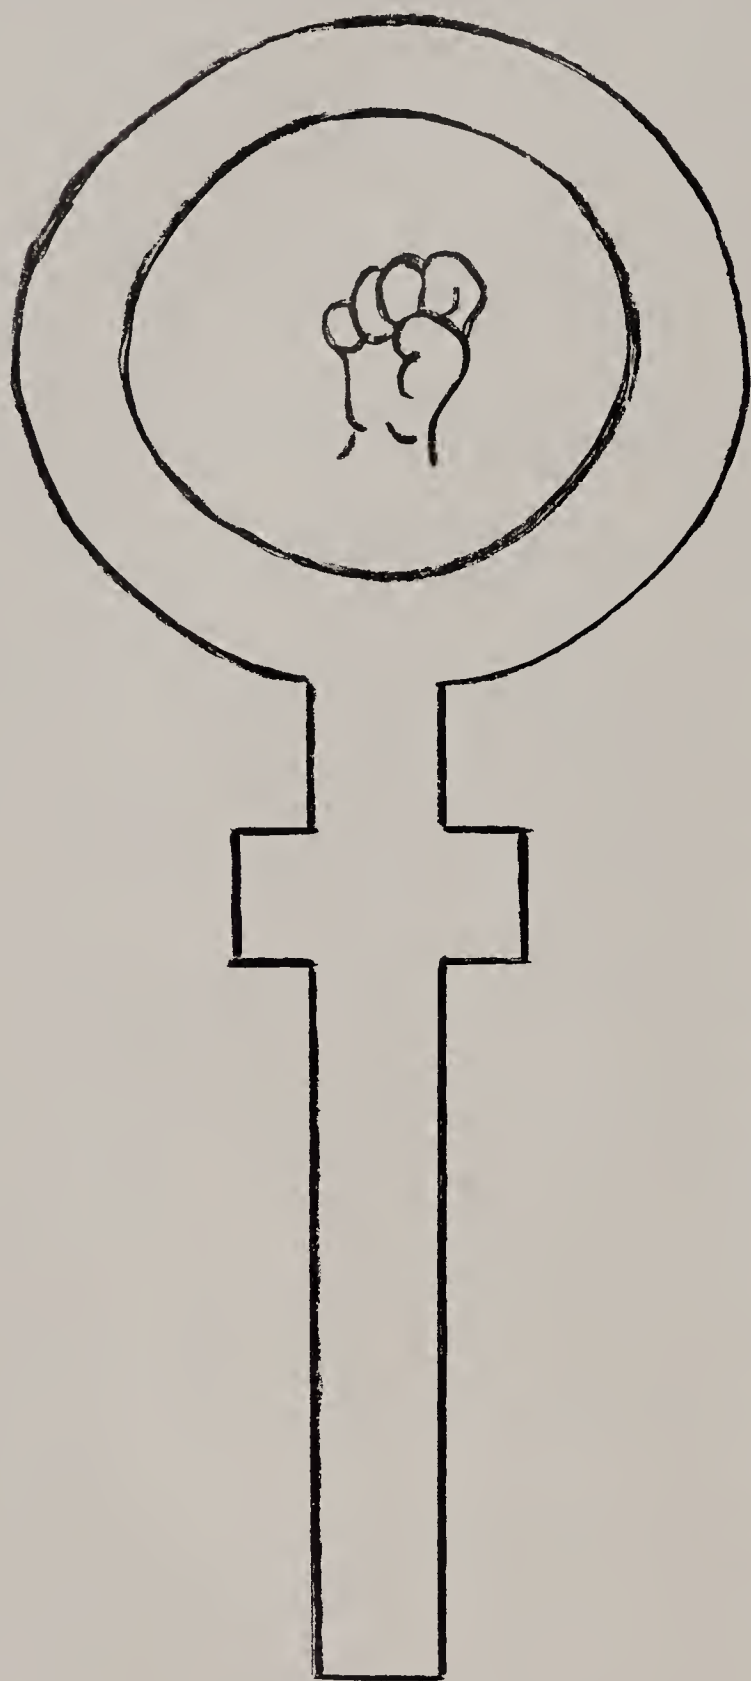

IT USED TO BE THAT THE MAIN THING THAT MOST HIGH SCHOOL STUDENTS THOUGHT ABOUT WERE MAKING SURE YOU HAD A STEADY GIRL OR BOY FRIEND WHEN YOU WERE A SENIOR, OR GETTING THAT VARSITY FOOTBALL LETTER TO PROVE YOUR MASCULINITY. SOME PEOPLE TODAY STILL THINK THAT WAY, BUT THE MODERN STUDENTS HAVE BEEN NOTED FOR THEIR CONCERN, OUTSPOKEN AT TIMES, BUT NONETHELESS IT IS A CONCERN FOR THE WELFARE OF OUR COUNTRY AND LIVES. THESE OPINIONS ARE FORMED INDIVIDUALLY, REGARDLESS OF HOW THEY CLASH WITH PREVIOUSLY SET IDEAS AND ELDER INFLUENCE.

ILLUSTRATED NEXT ARE B.H.S. TEACHER AND SENIOR REACTIONS TO MODERN ISSUES AND PROBLEMS THAT EITHER ENLIGHTEN OR POLLUTE OUR WORLD.

YOU MAY FIND SOME OF THESE OPINIONS RADICAL OR CONSERVATIVE, BUT KEEP IN MIND THAT THEY ARE CONCERNS MADE BY PEOPLE WHO CARE ENOUGH TO VOICE THEM.

DIVERSIFIED REACTIONS ARE THE CHARACTERISTIC OF THE TOPIC:

ON WOMEN'S LIBERATION

LIBERATION:
'TO SET FREE'

"I DON'T THINK WOMEN SHOULD BE DISCRIMINATED AGAINST IN JOBS BY RECEIVING LOWER PAY FOR EQUAL WORK. BUT — I STILL WANT TO BE TREATED LIKE A LADY."

"I THINK IT'S GOOD, BUT I ALSO FEEL THAT MOST OF THE WOMEN ARE GOING ABOUT IT IN THE WRONG WAY. THEY ARE MAKING FOOLS OF THEMSELVES."

"I THINK THE MOVEMENT HAS BEEN GOOD FOR THE COUNTRY, AND IT'S HELPING OUR SOCIETY BECOME INDIVIDUALIZED RATHER THAN STEREOTYPED."

"THE WOMEN'S LIBERATION MOVEMENT HAS GROWN OUT OF A LEGITIMATE NEED FOR RECOGNITION AND OPPORTUNITY. YOUNG WOMEN WILL GREATLY PROFIT IF THEY ARE ATTENTIVE TO THE EXPERIENCES AND HUMAN NEEDS OF OTHER WOMEN WHO ARE RATIONALLY INVOLVED IN THIS MOVEMENT."

"I THINK THAT THE WOMEN'S LIB MOVEMENT IS TOTALLY RIDICULOUS. I FEEL THAT A WOMAN SHOULD STAY HOME AND GIVE THEIR CHILDREN THE ATTENTION THEY NEED. AS FOR THE UNMARRIED WOMEN; I FEEL THAT THERE ARE ENOUGH OPPORTUNITIES AROUND FOR THEM WITHOUT INTERFERING WITH THE SUPERIOR MALES."

"I FEEL THAT WOMEN'S LIBERATION IS BASICALLY GOOD AS IT LIBERATES MODERN WOMEN. HOWEVER, IN MANY RESPECTS IT HAS GONE TOO FAR IN REMOVING THE EXISTING SOCIAL STANDARDS BETWEEN A MAN AND A WOMAN."

THIS PARTICULAR PAGE IS NOT BLACK SOLELY FOR DESIGN PURPOSES. THIS PAGE REPRESENTS THE CURRENT SITUATION IN OUR COUNTRY RIGHT NOW. THINGS LOOK VERY DARK FOR OUR FUTURE. MANY REASONS GIVEN FOR THIS ARE BEFUDDLING AMERICANS. THIS SECTION PROVOKED CONCERNED REACTIONS ON THE TOPIC:

THE ENERGY CRISIS

"I DON'T FEEL THAT THERE IS A TRUE ENERGY CRISIS RIGHT NOW. I FEEL THAT PRESIDENT NIXON, THROUGH EXPERIENCE, HAS REALIZED THAT AMERICANS WOULD NOT LISTEN TO HIM IF HE TOLD THEM WE'D BETTER CONSERVE ENERGY FOR THE FUTURE. SO, HE HAS CREATED HIS OWN SOLUTION BY FORMING A CRISIS TO FORCE AMERICANS TO START CONSERVING."

"I GET THE FEELING THAT THE AMERICANS ARE BEING DUPED BY THEIR GOVERNMENT."

"AMERICANS ARE NOT CALM, THEY HAVE NOT COLLECTED, BUT THEY ARE COOL."

"IT'S ALMOST IMPOSSIBLE TO TELL WHETHER THIS CRISIS IN ITSELF IS FACT OR FICTION BY THE STATISTICS THAT SHOW FUEL CONSUMPTION, ETC. THE GAS AND OIL COMPANIES ARE THE ONES WHO ARE PRINTING UP THESE STATISTICS. THEY COULD BE BRAINWASHING US. WHO DO YOU BELIEVE — THE COMPANIES OR YOURSELF?"

"THE ENERGY CRISIS IS BUT A SYMPTOM OF WHAT IS HAPPENING IN AMERICA TODAY. THE POLITICAL WEDGE IS WIDENING THE GAP BETWEEN THE RICH AND THE POOR, BETWEEN THE POWERFUL AND POWERLESS. IN THE MEANTIME, AMERICANS MYOPICALLY CONCERN THEMSELVES WITH ENERGY WHILE SENSITIVE POLITICAL ACTIVISTS HOLD PATRICIA HEARST FOR 4 MILLION DOLLARS RANSOM."

"LET ME PUT IT THIS WAY, IF I WERE A SURGEON, I'D DEFINATELY CALL THIS DISEASE MALIGNANT."

"WHAT ENERGY CRISIS? IT SHOULD BE CALLED THE GOVERNMENT CRISIS. WHILE ALL THE PRICES SKYROCKET AND GAS AND OIL COMPANIES SOAK IN MILLIONS OF DOLLARS IN PROFIT, THE GOVERNMENT OFFICIALS ARE SITTING ON THEIR DERRIERRES AND WATCHING THE VIEW."

IN CONTRAST TO THE PREVIOUS PAGE, THIS PAGE SYMBOLIZES THE ARTICLE IN OUR LIVES THAT MAKES OUR FUTURE BRIGHT FOR US. THAT ARTICLE IS FAITH. A COURSE FOR INDIVIDUALITY IN SOME, COMBINATION FOR OTHERS MARKS THE REACTIONS:

ON RELIGION

"I THINK RELIGION IS GOING TO END UP INTO ONE CHURCH. BECAUSE THEY'RE HAVING TOO MUCH TROUBLE GETTING THE PEOPLE TO GO TO ALL THE DIFFERENT CHURCHES AS IT IS NOW."

"I THINK RELIGION TODAY IS A FREER CONCEPT OF THE EARLIER FORM. PEOPLE DON'T FEEL OBLIGATED TO GO TO CHURCH TO WORSHIP GOD. EVERYONE CAN WORSHIP GOD IN THEIR OWN WAY."

"IT'S A MASS MEDIA FOR PEOPLE WHO DON'T BELIEVE IN TELEVISION, AND WHO ARE AFRAID TO DIE."

"MANY PEOPLE FEEL THAT GOD IS DEAD — OR EITHER THAT THERE IS NONE. I REALLY FEEL BAD FOR THEM. GOD IS ALIVE AND WORKING! ALL YOU HAVE TO DO IS ACCEPT HIM — LET GO, LET GOD! HE IS ALIVE AND DOING WELL! JUST OPEN YOUR EYES AND REALIZE IT!"

"I BELIEVE IN GOD — IT'S JUST WHEN THAT MONEY BASKET COMES AROUND ONCE OR TWICE, AND YOU HAVE TO PAY TO SIT DOWN — I GET TURNED OFF."

"IF THERE IS NOTHING IN OUR AFTER DEATH STATE, WHAT IS THERE TO LOOK FORWARD TO? WHAT PURPOSE DO WE ALL SERVE ON EARTH?"

SKEPTICISM, ANGER, AND GENERAL PESSIMISM
ARE THE TRAITS OF STUDENT AND TEACHER
RESPONSES CONCERNING:

IMPEACHING THE PRESIDENT

"THE PRESIDENT SHOULD BE IMPEACHED BECAUSE
THE GOVERNMENT IS TOO CORRUPT. THE ONLY THING
IS THAT PEOPLE, NOT ONLY THOSE IN HIGH OFFICE,
BUT ALL PEOPLE IN GENERAL, ARE AFRAID TO REALLY
STAND UP."

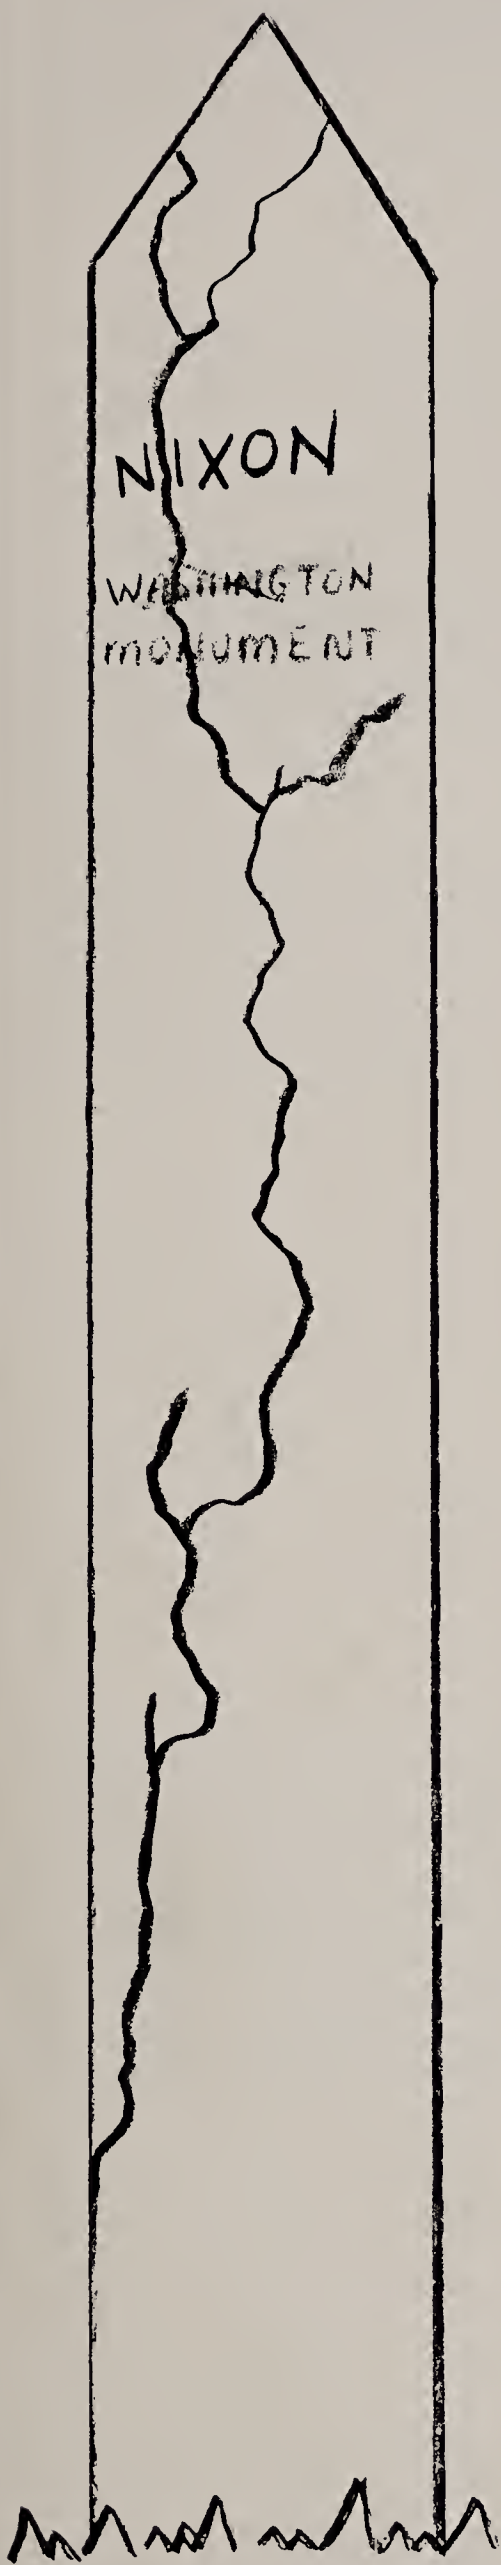

"I DEFINITELY THINK HE SHOULD BE IMPEACHED.
HE'S CAUSING NOTHING BUT PROBLEMS. THE
AMERICAN PEOPLE ARE SLOW IN REACTING, BUT
WHEN THEY WAKE UP AND DO REACT, IMPEACHMENT
IS INEVITABLE."

"DON'T IMPEACH HIM NOW — IT'LL JUST OPEN THE
DOOR FOR ANOTHER CROOK."

"I DON'T THINK IT WOULD BE A GOOD IDEA FOR ONE
REASON — IF ANY PRESIDENT WERE PULLED OUT IN
THE MIDDLE OF HIS TERM, IT WOULD BE MORE
HARMFUL BECAUSE ALL OF A SUDDEN OUR COUNTRY
WOULD BE WITHOUT A PRESIDENT."

"IF PRESIDENT NIXON'S RE-ELECTION GOAL WAS TO
MAKE AMERICA SINK LIKE THE TITANIC DID — I'D
SALUTE HIM. HE'S DONE A GREAT JOB! TOO BAD HE'S
DRAGGING THE AMERICAN PUBLIC WITH HIM."

"PRESIDENT WHO?"

MOST OF US WAITED FOR IT A LONG TIME. WHEN IT ARRIVED, WE WERE HAPPY. HAPPY BECAUSE WE FINALLY HAD OUR CHOICE IN IT BESIDES CANADA. HERE ARE REACTIONS CONCERNING:

THE VOLUNTARY SERVICE

"IT DOESN'T MATTER ANY; I WASN'T GOING IN ANYWAY!"

"I LIKE IT — IT'S BETTER THAN THE DRAFT."

"IT'S WORKABLE, HOWEVER IT TENDS TO DRAW ON THE MIDDLE CLASS AND THE POOR AS THE BASIS OF ITS FORCES. THIS CREATES THE POSSIBILITY OF A CLASS ARMY."

"I'M GLAD — WITH THE WAY THE ENERGY CRISIS IS HITTING US, MANY OF THE DODGERS WOULD HAVE TO THUMB TO CANADA."

"I'M STILL GOING IN."

FINALLY, WE COME TO THE BIGGEST CONCERN FOR ALL OF US. OUR COUNTRY IS BEING PULLED APART BY PREJUDICE, GOVERNMENTAL INFALLIBILITIES, AND AN APATHETIC POPULATION. WHAT OF OUR

AMERICA?

"AMERICA, UNFORTUNATELY, IS NO LONGER THE DOMINANT POWER IN THE WORLD. MILITARILY, WE ARE INFERIOR, IF NOT EQUAL TO THE RUSSIANS. ECONOMICALLY WE ARE ON THE BRINK OF A SECOND DEVASTATING DEPRESSION. SOCIALLY, OUR INVOLVEMENT IN FOREIGN AFFAIRS AND WARS HAS CAUSED DOMESTIC STRIFE WHICH HAS LED TO THE STAGNATION OF OUR PEOPLES. EDUCATIONALLY, WE PRODUCE ARMIES OF ARTICULATE AUTOMATIONS. FOR THE RICHEST COUNTRY IN THE WORLD, OUR POOR STILL STARVE IN THE STREET."

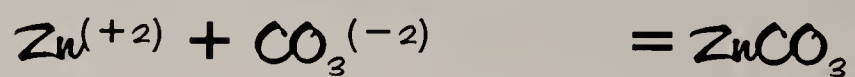

"I THINK AMERICA IS ONE OF THE LEAST APPRECIATED COUNTRIES IN THE WORLD FOR WHAT IT DOES. I THINK WE'RE TAKEN FOR GRANTED BY ALL THE OTHER COUNTRIES WE SEND FOREIGN AID TO. I THINK IF WE DON'T STRAIGHTEN UP AND DON'T STOP SENDING ALL OF THIS FOREIGN AID; SOON ALL THESE COUNTRIES WILL USE IT AGAINST US — ESPECIALLY RUSSIA."

"AMERICA RIGHT NOW IS IN A STATE OF CONFUSION AND PESSIMISM. WHAT WE NEED IS A DICTATORSHIP TO STRAIGHTEN UP OUR CORRUPT GOVERNMENT — TOO MANY PEOPLE ARE VICTIMS OF AN EXTREMELY LENIENT AND HELPLESS AMERICAN LAW SYSTEM."

"THEY USED TO SAY 'AMERICA — LOVE IT OR LEAVE IT' AND PEOPLE USED TO FLIP AND GO RAVING ON HOW GREAT AMERICA IS. TRY SAYING THE SAME THING NOW, AND PEOPLE WILL GO. EVEN THOUGH AMERICA IS EXPERIENCING ROUGH TIMES, IT IS STILL MY COUNTRY, THE COUNTRY THAT PUT ME WHERE I AM, AND GAVE ME THE OPPORTUNITY TO IMPROVE. AMERICA IS STILL NUMBER ONE WITH ME."

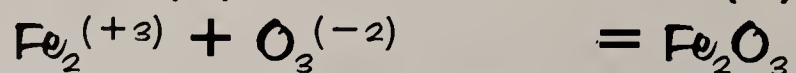

"I'M STILL AN AMERICAN — I THINK."

THE CHEMISTRY OF BELLINGHAM MEMORIAL JR.-SR. HIGH SCHOOL.

The following six pages analyze what the ingredients of a day at Bellingham Memorial High School are.

We hope to show the different dimensions of learning that our high school years present to us.

The pages are memories of the hectic, responsible, and often harassing days that we lived for four to six years.

From start to finish, school should mean one thing to us all —

Learning is an experience, not just something you get from a book.

Pre-school is a hectic period. Not as hectic as the normal B.H.S. day itself, but it gives many students the chance to use the library, a friend, and even a teacher's help in last minute completion of an assignment. The others arrive early or later, and very soon the halls are infested. The mass of humanity teems by you. Friends greet each other with hello and what's new. You hear a verbal collage of discussions that ring through the halls. These discussions range in scope from the previous night's sports and television programs, to class preparation for the day ahead.

The Wheels Of B.H.S. Are Beginning To Stir.

B.H.S. Starts!

Bells, Homeroom:

The 8 o'clock bell is the GO signal for the Bellingham High School student. Go to classes, studies, seminars, workshops, phys. ed., health, lunches, and finally — home.

One may ask, how do the teachers here view this panorama of befuddled, colorful, and intelligent personalities suited in different styles?

Presented below is how we think these teachers view us seven periods a day, at our best and worst. As one famous philosopher said — "Patience is a virtue."

Off To Periods 1 — 7

7:58 — 2:00 P.M.

7:58 A.M. — 2:00 P.M.: The Teachers

"That's how it's done."

"Why are you late?"

"Smile and say lasagna!"

"What do you mean Newton's second law is wrong?"

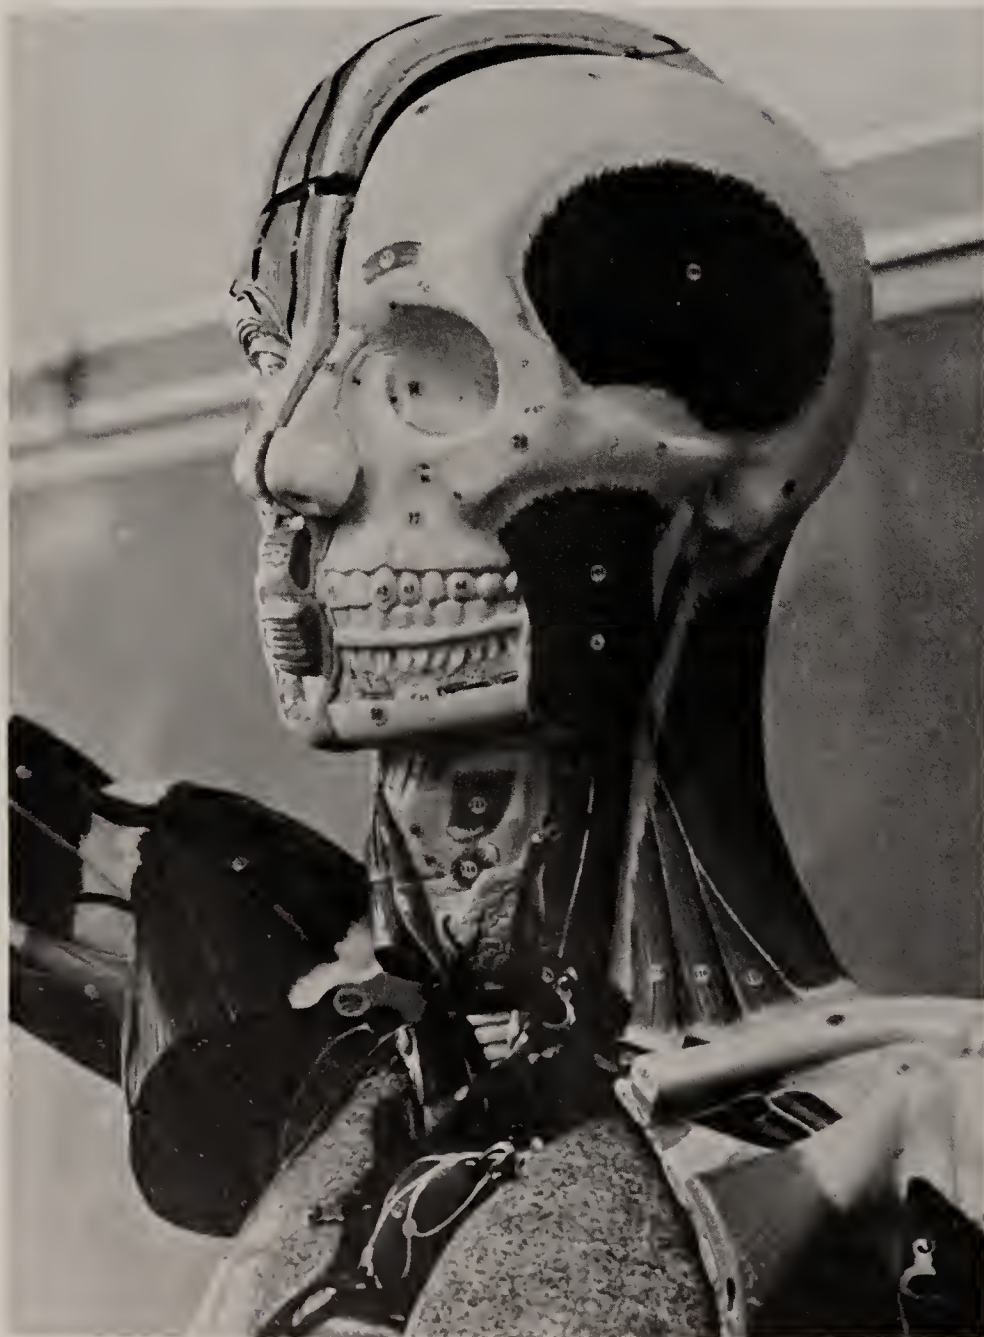

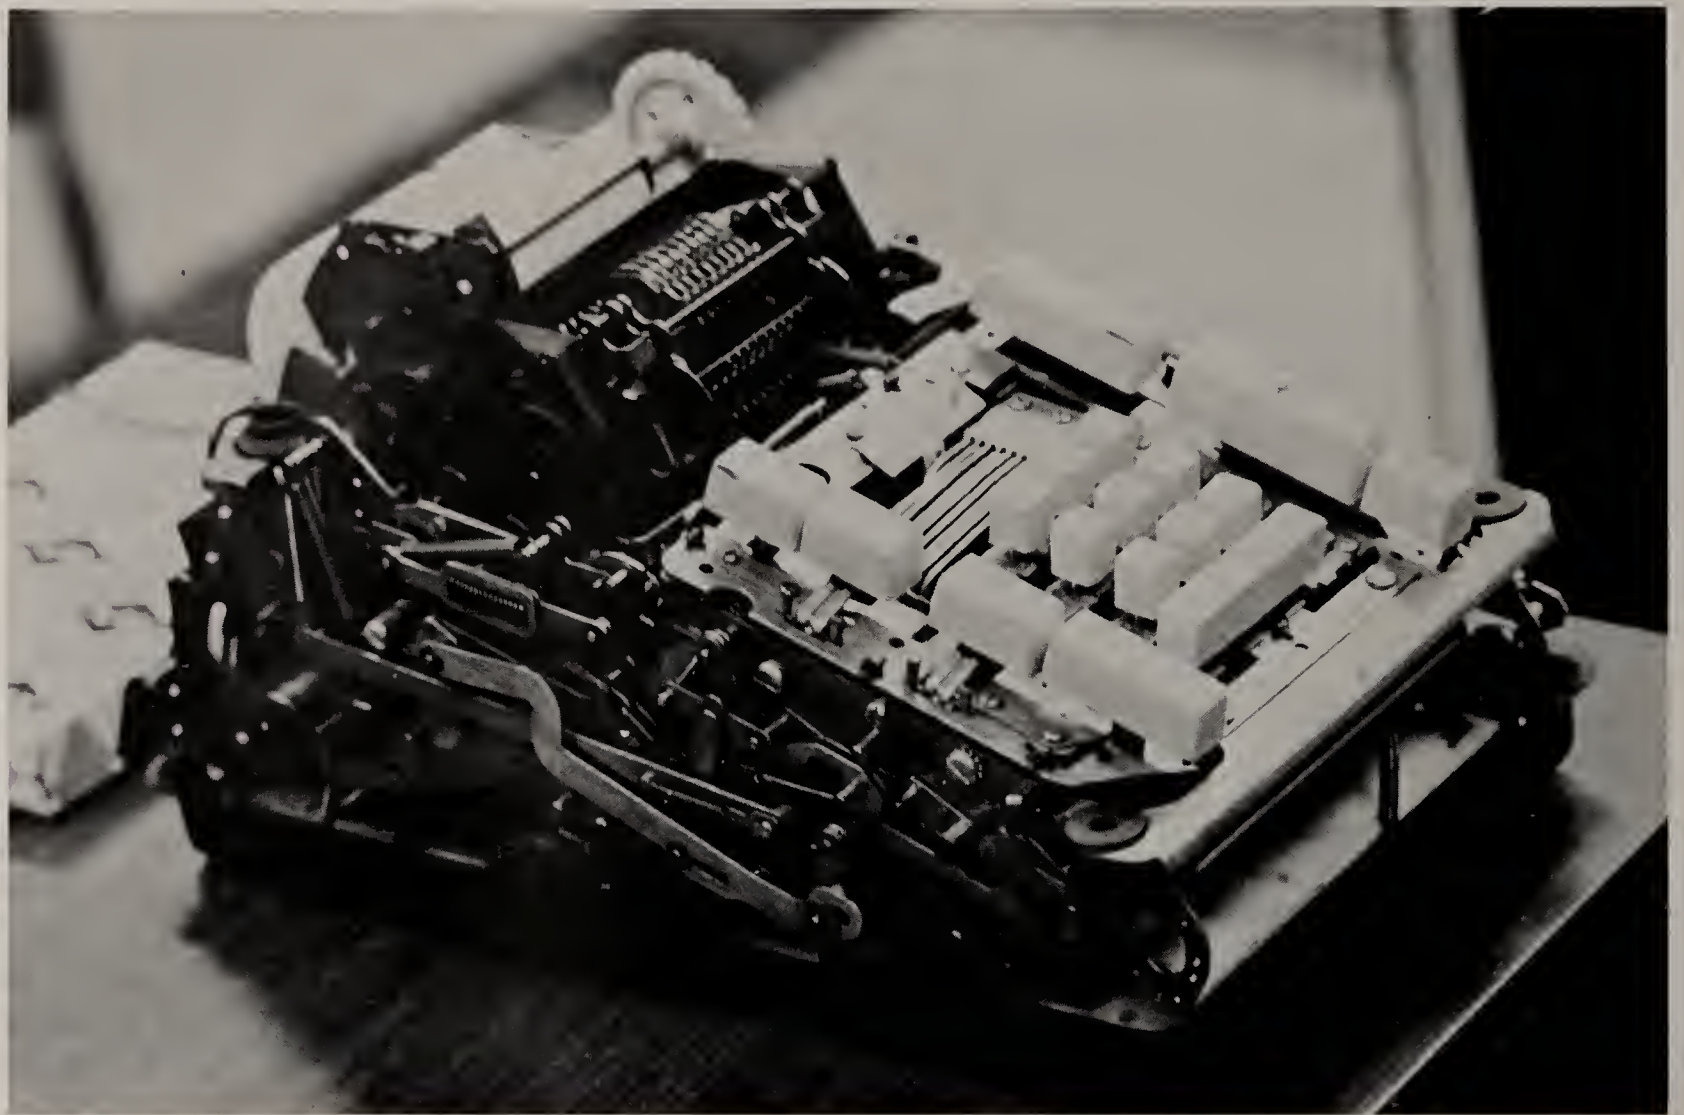

"And the ankle bone connects to the leg bone . . ."

"Who said that?"

7:58 A.M. — 2:00 P.M.: *The Material Content*

What makes up this school besides the numerous administrators, faculty, employees, and students? The answer is quite obvious — the building itself and the equipment it houses. Presented below are three quiet onlookers of our academic endeavors.

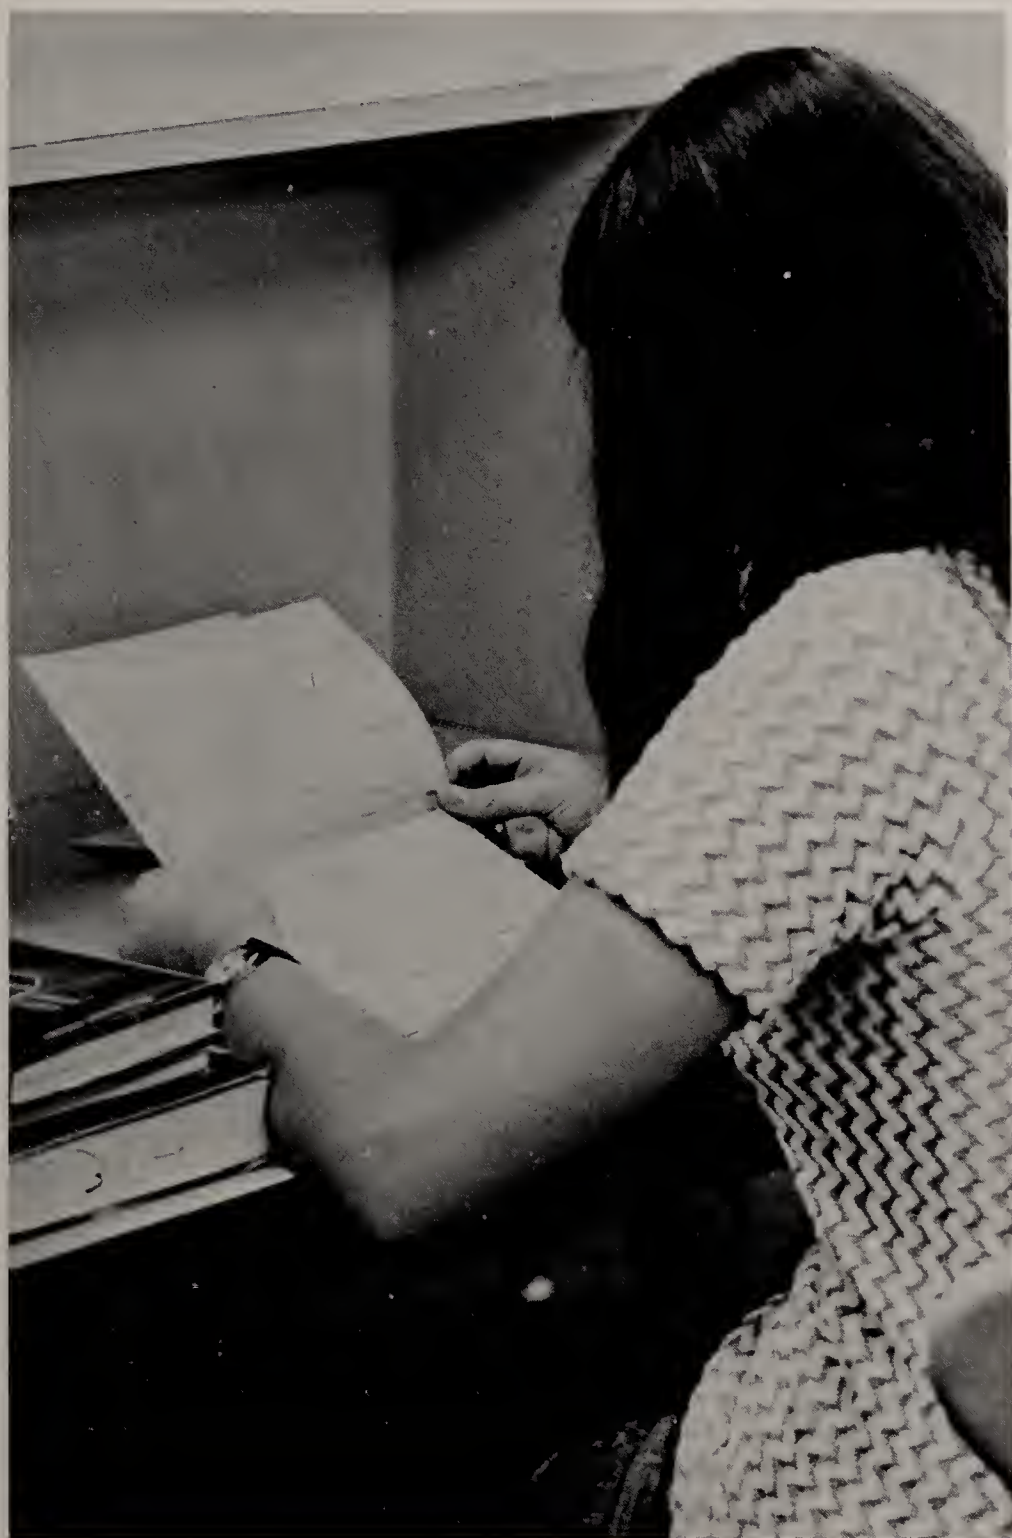

7:58 A.M. — 2:00 P.M. *The Student Population And Courses.*
B.H.S. — *Indepth*

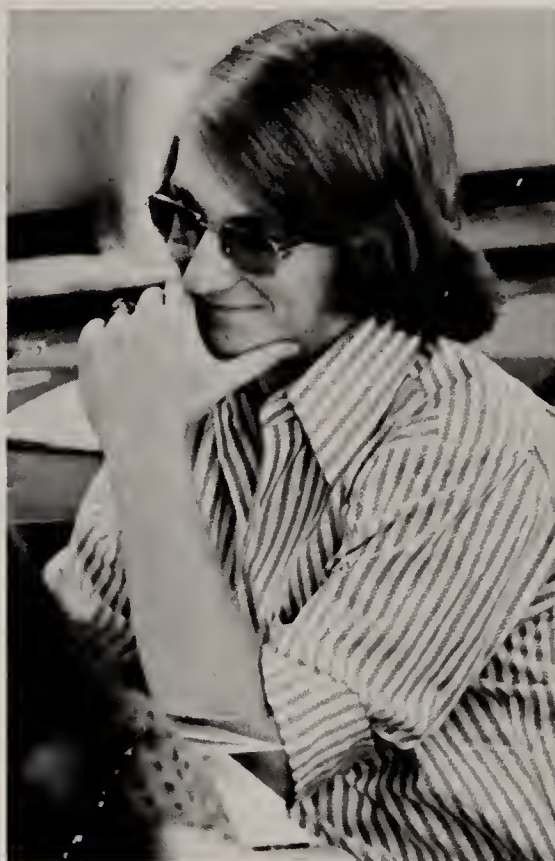

As the morning hours pass by, each student is using the concentration he possesses on whatever subject he has taken on. Things as discussions, library research, and projects demand personal involvement.

Between classes, the concentration slips momentarily to socializing, laughter, and locker searching. But when the bell rings again, the responsibility returns to form.

Pictured next are the values of the workshops, physical education, sciences, individuality, and moreover, the values of being yourself as a student and person; doing whatever you do best.

Concentration by studying.

A break for laughter.

Involvement in self-skill.

The B.H.S. Philosophy: Social Life

7:58 A.M. — 2:00 P.M.

Class time is obviously extremely important in our schooling. But what of all the times we find ourselves not surrounded by academic boundaries? At football games, dances, in the halls, at lunches, and proms, we are learning and socializing at the same time. We learn to talk, listen, respect and interact with other people on a team or among ourselves.

Each of us at B.H.S. learns a great deal from those that we associate with.

2:00 P.M.

The B.H.S. Termination And Re-Birth Period.

The two o'clock bell sounds its long awaited chimes. To some, the day is finally over and the only thing on the horizon is relaxation, or their part-time jobs.

To others however, the post school period is when more events occur. There are countless athletic and social activities that are congested into an hour to three hour period. Variety adds the spice to these occasions.

From them, a powerful potion of learning is presented. "Team work, discipline, involvement, experiences, new dimensions and aspects" are brought out to the B.H.S. student, who discovers that learning is an all-day and everyday thing.

"AS FOR ME, EVEN THOUGH I AM

STILL I AM THERE WITH YOU

1 COR. 5:3

CLOSING

Leaving a high school where you've shared four years of your life constitutes memories.

MEMORIES OF THE
PLACES YOU'VE BEEN
TO AND SEEN . . .

'What are we trying to practice every day? If our friendship depends on things like space and time, then when we finally overcome space and time, we've destroyed our own brotherhood! But overcome space, and all we have left is Here. Overcome time, and all we have left is Now. And in the middle of Here and Now, don't you think that we might see other once or twice?'

Jonathan Livingston Seagull

PEACE

DESIDERATA

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

(Found in old St. Paul's Church, Baltimore; dated 1692)

'The man who follows the crowd will usually get no further than the crowd. The man who walks alone is likely to find himself in places no one has ever been. Creativity in living is not without its attendant difficulties. For peculiarity breeds contempt. And the unfortunate thing about being ahead of your time, when people realize you were right, they say it was obvious all along. You have two choices in life — you can dissolve into the mainstream, or you can be distinct. To be distinct, you must be different. To be different, you must strive to be what no one else but you can be.'

Farewell Memories . . .

. . . of all
the people
we've met
and known
as friends . . .

"Goodbye to you, my
Trusted friend.
We've known each other
Since we were nine or ten.
Together we've climbed hills
And trees,
Learned of love and ABC's.
Skinned our hearts and
Skinned our knees.
Goodbye my friend . . ."
